Dear Hockey Nuts:

You are specially invited to enter the [8th Annual Labatt Blue Spring Fling Adult Hockey Tournament 2012](#).

**"Captains Read Below Important Changes":**

Due to some cut backs at the Jamestown Savings Bank Ice Arena my position as the Adult Hockey Director has not been renewed. I have worked together with the Arena to take the adult tournaments and run them privately. I am committed to continuing all of these tournaments and possibly some new events as well. Please help me keep these events a success and a great time. All feedback welcome.

We need all captains or interested captains fielding a team to respond to this e-mail. This year will be limited in the number of teams we take. According to recent interest and last years teams returning we need a better idea on who is interested in entering again for this tourney. So please reply to this e-mail if you're interested ASAP!
