

Introducing the .....

Cash card!

Just like Money...only Quicker!

You spend a lot of time at the Jamestown Savings Bank Ice Arena. A LOT of time! But you don't always carry enough cash for last minute things...skate laces, sharpening, concession food.

Your son or daughter spends a lot of time at the Arena. A LOT of time! Sometimes they like to public skate with friends, buy a Pepsi and Popcorn, pay for drop in hockey or figure skating. The Jamestown Savings Bank Ice Arena has introduced the "ARENA CASH CARD," adding an unparalleled level of convenience to your visit.

The Card is the first Reloadable card for use anywhere at the Jamestown Savings Bank Ice Arena. Use it at Champions Cafe, to purchase great food and drink or in the Pro Shop to get the latest in gear or to have your skates sharpened. Tired of having your kids chase you around for money for public skating or drop in hockey??? Load up the card and let 'em go! We will tell them how much they have left and remind you when to RELOAD!

But the benefits of the Cash Card don't end there. Because the card is easily reloadable with NO TRANSACTION FEES, you can use the same card month after month, year after year. The value of the card never diminishes because of time! PLUS, with every \$100 you spend, you will receive a \$5 coupon for use inside the arena. The Arena Cash Card is the perfect gift as well as the ideal companion to the regular visitor to the Arena.

You can purchase an ARENA CASH CARD, or reload the one you already have, at the Jamestown Savings Bank Arena Guest Services Area or at the Pro Shop or Champions Café!
